Cosmetic plastic tube we provide is practical. It is suitable for cosmetics, food, pharmaceutical, personal care, household product and Industrial products. We provide many kinds of processing: frosted finish, bronzing and silvering and other special process available for option. We can supply flexible and soft cosmetic tube packaging made of Aluminum laminated(ABL) and Plastic Barrier Laminated(PBL) and it can be used for different industries. It has three kinds of shapes: round, oval and super-oval design, and three kinds of layers: mono layer, double-layer and five-layer. Different colors, style, material, sizes, packing, logo are available as per your request under strict quality standard. And if you want to customize your own style of cosmetic packaging, you can choose our custom cosmetic packing. There are many specifications, models and colors for you to choose from. We take very high reputation from home and abroad and cooperate with some name-brands for years. We are committed to providing high-quality products and service.
