Wonderful 2003 Black Mercury Mountaineer,V6 4.0L, Good condition, 163,305 miles. A new engine was installed on it at 69,700 miles , so the engine has about 94,000 miles on it. Transmission was replaced when it had around 120,000 miles on it. The AC was recharged a year ago. It seats 7, with a third row seat. It has leather seats and both back seats fold down for extra storage space. Luggage rack on top and key-less entry.

Has been very well maintained and parked in a garage for all of it's life.

Please email to set up a test drive.
